CITY OF LANETT
REGULAR SCHEDULED
COUNCIL MEETING DECEMBER 19, 2005

City Manager Holley said that the City of Lanett has received the heaters that were ordered. There is one in operations in the utility department. The heaters are panel heaters and it uses energy of (4) four light bulbs and they will heat a 10 (ten) foot by 10 (ten) foot room and a 12 (twelve) foot by 12 (twelve) foot room that is well insulated. It will cost about 3C (three cents) an hour to operate and all you do is plug them in, forget about them, and they are very safe, because they don't get hot. The cost is \$80.00, which includes the shipping, sales tax, and the cost of the heaters. The heaters could not be sold cheaper than the company sold them for on the internet. The City of Lanett will buy more and the City of Lanett will eat the cost of shipping and it will save the customers about \$26.00.

City Manager Holley wishes everybody to have a healthy, safe, Happy New Year.
